

Club Champs 2009 provisional

31 December 2009 25m Pool

Please note that the points are calculated from World Record times. Mens times are faster than the Women and therefore our boys could receive less points than the girls even if their time is faster. Please do not compare Boys and Girls point scores.
Points scored in brackets are not added to the aggregate total, another event in the same category has more points and it's those that count.
